SAMPLE SUBMISSION FORM

IDEXX code **H23**

Lab number: (Lab use only)

Name of Cat:
Name of Owner:
Date of Sampling:

Owner Address								
Cat Age		Breed		Sex	ME	MN	FE	FN

Case Clinician:	
Referring Practice:	
Referring Practice email address for copy of results:	

Urine sample	<input type="checkbox"/> Cystocentesis <input type="checkbox"/> Free catch
Blood sample	<input type="checkbox"/> Pre-radioiodine treatment <input type="checkbox"/> Post-radioiodine treatment

For lab use only:	
<input type="checkbox"/> EDTA	<input type="checkbox"/> Separated serum
<input type="checkbox"/> Spun gel	<input type="checkbox"/> Blood smear
<input type="checkbox"/> Unspun gel	<input type="checkbox"/> Plain Urine

PLEASE NOTE:

- Bacteriology is of limited usefulness using free-catch urine samples and is most helpful using cystocentesis samples.
- Boric acid samples are no longer required for (cystocentesis) bacteriology submissions.
- If urine is submitted separately following blood, then additional fees will be charged to your client as listed on reverse under 'Additional tests'.

Delivery address:

IDEXX Laboratories
 Grange House
 Sandbeck Way
 Wetherby
 West Yorkshire
 LS22 7DN

Please select the most appropriate profile for the samples you have collected. If you require additional tests at a later date (i.e. urine sample, please select NEW FORM and tick the appropriate ADDITIONAL TEST selection. Referring Vet – Please do not charge your client for these fees - HCC will be charged directly by IDEXX.
